

**AMENDMENTS TO THE SPECIFICATION**

Please replace the paragraph beginning on page 3, lines 7-8, with the following amended paragraph:

The antibiotic layer may be formed on the surface of the part of the refrigerator through ~~multi-extrusion~~ a two step process.

Please replace the paragraph beginning on page 5, lines 3-6, with the following amended paragraph:

Meanwhile, as another embodiment of the present invention, the antibiotic layer can be formed through ~~multi-extrusion~~ a two step process. That is, a preform of a part of a refrigerator is first extruded and the preform is then put into a mold to form the antibiotic layer thereon using the resin with the antibiotic substance mixed therewith.
